

Plurinational America
July 14 2025

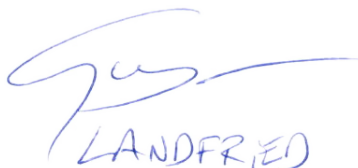

Ref: Official Invitation - Plurinational Bayes Bogotá 2025, “Bayes-AI-ML”.

To whom it may concern,

We are pleased to formally confirm that sergio nicolas opazo flores has been invited to deliver an in-person short talk (+ poster) entitled *Detección y gestión de estacionamiento no autorizado y reservado, mediante uso de Técnicas de Deep Learning*. as part of the Plurinational Bayes Bogotá 2025 event. The event will be held from October 15 to 18, 2025, at Universidad Externado de Colombia.

sergio nicolas opazo flores participation represents a valuable contribution to the academic objectives of the event, which brings together leading researchers and practitioners in Bayesian inference from across Latin America and beyond.

Sincerely,

Gustavo Landfried
Director Plurinational Bayes
