

Plurinational America
July 14 2025

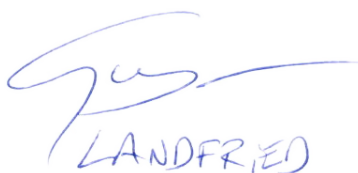

Ref: Official Invitation - Plurinational Bayes Bogotá 2025, “Bayes-AI-ML”.

To whom it may concern,

We are pleased to formally confirm that Reinaldo Ribeiro de Oliveira has been invited to deliver an in-person poster entitled *DeepHosp: Un índice para predecir el deterioro clínico en pacientes adultos hospitalizados, mediante inferencia bayesiana integrada con algoritmos de aprendizaje automático profundo como sistema de apoyo a la toma de decisiones clínicas* as part of the Plurinational Bayes Bogotá 2025 event. The event will be held from October 15 to 18, 2025, at Universidad Externado de Colombia.

Reinaldo Ribeiro de Oliveira participation represents a valuable contribution to the academic objectives of the event, which brings together leading researchers and practitioners in Bayesian inference from across Latin America and beyond.

Sincerely,

Gustavo Landfried
Director Plurinational Bayes
