To whom it may concern,

We are pleased to formally confirm that Oscar Andrés Espinosa Acuña has been invited to deliver an in-person short talk (+ poster) entitled *Predictability and financial sufficiency of health insurance in Colombia: An actuarial analysis with a Bayesian approach* as part of the Plurinational Bayes Bogotá 2025 event. The event will be held from October 15 to 18, 2025, at Universidad Externado de Colombia.

Oscar Andrés Espinosa Acuña participation represents a valuable contribution to the academic objectives of the event, which brings together leading researchers and practitioners in Bayesian inference from across Latin America and beyond.

Sincerely,

Gustavo Landfried
Director Plurinational Bayes
