Ref: Official Invitation - Plurinational Bayes Bogotá 2025, “Bayes-AI-ML”.

To whom it may concern,

We are pleased to formally confirm that José Jorge Sierra Molina has been invited to deliver an in-person short talk (+ poster) entitled *Testing Strategies to Improve the Performance of a Large Language Model on a Histopathology Classification Task* as part of the Plurinational Bayes Bogotá 2025 event. The event will be held from October 15 to 18, 2025, at Universidad Externado de Colombia.

José Jorge Sierra Molina participation represents a valuable contribution to the academic objectives of the event, which brings together leading researchers and practitioners in Bayesian inference from across Latin America and beyond.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Gus Landfried', with the name 'LANDFRIED' printed in blue capital letters below it.
