To whom it may concern,

We are pleased to formally confirm that Ian Bounos has been invited to deliver an in-person poster entitled *Modelo logístico con efectos mixtos: aplicación a la detección de fraudes en seguros automotores* as part of the Plurinational Bayes Bogotá 2025 event. The event will be held from October 15 to 18, 2025, at Universidad Externado de Colombia.

Ian Bounos participation represents a valuable contribution to the academic objectives of the event, which brings together leading researchers and practitioners in Bayesian inference from across Latin America and beyond.

Sincerely,

Gustavo Landfried
Director Plurinational Bayes
